Spring AAPPL Testing

Testing Window: March – End of Year

AAPPL testing for Spring is currently being set up in the LTI system. As we create test tickets for students that will be taking this, we will email information out to teachers along with instructions on how to access LTI and manage testing. Please email questions about the Seal of Biliteracy, and the Spring AAPPL testing to Kira Jensen at kira.jensen@jordandistrict.org or call her at 801-567-8112.

Spring Reading Inventory Testing

Testing Window: March – End of Year

Reading Inventory will continue to be available to schools within Jordan District through the end of this current school year. We are working to update the rosters, so please email Kira Jensen at kira.jensen@jordandistrict.org or call her at 801-567-8112 if you have any students that need to be moved around.

Please visit https://assessments.jordandistrict.org/assessments/ri/ for any questions you may have about Reading Inventory. There are many videos that can help walk you through some of the problems you may encounter when managing the students at your school.

Testing Window: 4/11/2022 - 6/3/2022

Your school will be contacted to let you know the date and time when the Acadience Reading team is scheduled to come. Please collaborate with teachers, literacy assistants and speech-language pathologists well ahead of time to ensure students are accommodated appropriately. Please remember that the Evaluation, Research & Accountability does not have access to IEP information, so you will need to enter student accommodations from an IEP or 504 plan onto the accommodation tab in your shared school schedule Google sheet.
