Elem, MTS Elem, Title I Elem, MTS/Title I Elem, Middle, or High) enter the amount of 0050 FTE you have or will have hired by the first day of school. Please do **NOT** include any teachers hired using alternate funding (BTS, Land Trust, etc.) – only those teachers funded by 0050 (whole or part of their contract) should be entered. Title I schools will enter the teachers funded (whole or part) by Title I funds in the appropriate cells. The schools FTE version 2.0 must be entered in the appropriate box(es) for the worksheet to calculate correctly. You do not need to enter any enrollment at this point. However, it is encouraged that you use these sheets throughout the year to accurately account and track your FTE and enrollment. The FTE Staffing Worksheet is not required for any Special School.
