

In partnership with Utah Valley University, Jordan District is pleased to announce a reading endorsement program beginning in June. This program requires a 2-year commitment and is open to elementary and secondary teachers in all content areas. Courses will be co-taught by reading endorsed Jordan District elementary and secondary teachers.

Upon completion, participants will have earned 21 credits, awarded from UVU. Up to 12 of those credits will transfer as graduate credit at most Utah universities. UVU charges \$45 per course, plus a one-time registration fee of \$35 for new students or \$15 for prior UVU students. Teachers are also expected to purchase textbooks.

Interested teachers may register for Course One on JPLS. They will then be automatically enrolled in subsequent courses. We anticipate a wait list so if that is the only option, add your name to it.
