---

This is a reminder that the Botvin LifeSkills Training program must be offered to all 4th, 8th, and 10th-grade students each year in Jordan School District. The Botvin LifeSkills Training Program is currently the only approved program to meet the requirements as outlined in [UCA § 53G-10-406](#) and [R277-910](#). The middle school and high school implementation takes place in health classes.

Please find information below for information regarding:

- 1) Required Teacher Training – **Updated information**

## Required Teacher Training

- Each staff member who will be implementing the program should have completed a **one-time training** paid for by USBE.
  - The required one-time training is completed online while participants work at their own pace completing approximately five hours of training during a one-week window.
- If you would like a list of staff from your District/Charter School who have completed the training, please email [clarissa.stebbing@schools.utah.gov](mailto:clarissa.stebbing@schools.utah.gov).

We currently have two Elementary training sessions with open seats. More training sessions will be added to MIDAS, as needed.

10/4/23-10/10/23: Please register by September 28<sup>th</sup>.

10/11/23-10/17/23: Please register by October 3<sup>rd</sup>.

### How to Register for the Teacher Training:

- **Step 1:** [Click here to register on MIDAS](#)-Be sure to go to your cart and “check-out” after registering to ensure that your registration is complete.
- **Step 2:** After registering on MIDAS, participants should complete [this survey](https://usbe.az1.qualtrics.com/jfe/form/SV_5AM3kV8IN8k5CiF) ([https://usbe.az1.qualtrics.com/jfe/form/SV\\_5AM3kV8IN8k5CiF](https://usbe.az1.qualtrics.com/jfe/form/SV_5AM3kV8IN8k5CiF)) so that we make sure to send the access code and materials to the correct email address and physical address.

### Stipend & Sub-Reimbursements

- Due to USBE’s new [Participant Support Costs \(PSC\) policy](#), educators who wish to receive a stipend will need to follow the process to become a state vendor, and will be eligible for a \$230 stipend for completing the online training while **off-contract**.
- During Step 2 of the training registration process, educators will be asked if they will be on-contract during the training.
- Educators who indicate that they will be **off-contract**, will receive instructions on how to receive their stipend while they are completing Step 2 of the training registration process.
- Required paperwork must be filled out and returned prior to the training start-date.
