Connecting Students to the Workforce

Fall 2024

CCA AG DAYS

On October 1st & 2nd we welcomed over 4,500 7th Grade Students to the Bastian Agricultural Center in South Jordan to learn about agriculture careers. Students watched sheep being shorn, learned about different types of tractors, and tasted fresh produce. Special thanks to our incredible FFA students.

Inside:

NEW!

YouScience Aptitude & Career Discovery Middle School Initiative

24-25 JSD YouScience Discovery Goal

- 90% of 7th Grade Students complete Brain Games
- 90% of 9th Grade Students complete Brain Games
- WBL will begin to host events for students to increase interest for students with high aptitudes in specific career clusters

Using YouScience Discovery Results with your classes

If you would like support to run YouScience Discovery results for specific classes (currently 7-9th Grade) reach out to Jennifer Price @ jennifer.price2@jordandistrict.org

CTE Safety

Tips & Tricks

CTE Safety Tips:

Ensuring a safe learning environment is our top priority. Here are some essential safety tips for our Career and Technical Education (CTE) teachers:

- Ensure all equipment is in proper working order and regularly maintained.
- Implement proper personal protective equipment (PPE) requirements for all students.
- Maintain a clean and organized workspace to prevent accidents.
- Encourage students to report any unsafe conditions immediately.

CTE Safety Canvas Course

A big thank you to all our CTE teachers for embracing the Safety Canvas Course! Your commitment to enhancing classroom safety is commendable. This course is a vital step in ensuring our students learn in a secure environment, and we appreciate your dedication and hard work.

Making a List, Checking it Twice...

To further support our safety initiatives, we ask all CTE teachers to fill out the provided safety checklists. These checklists are designed to help identify and address any safety-related concerns in your classrooms and workshops. Your proactive participation is crucial in maintaining a safe learning space for all students.

For any questions or additional support, feel free to reach out!

Jay Hales, CTE Specialist @ jay.hales@jordandistrict.org
