The Research Review Committee has reviewed a research project in which your school has been asked to participate.

Project Title: Development of a Narrative Language and Reading Comprehension Program for Students with or At Risk for Language and Literacy Difficulties

Applicant: Sandra Gillam, Utah State University

The project has been approved by the District Research Review Committee. The applicant has been directed to contact you to discuss the extent of the project and to solicit your participation in a survey. Participation in the study is at your discretion. If you have questions or concerns relating to participation, please contact Ben Jameson at 801-567-8243.

This is a two-year study where teachers and researchers will co-develop model intervention lessons and then teachers will implement the intervention lessons and then assist in evaluating their usability, feasibility, and efficacy.
