

Goalview Training

Training for Administrators and Special Education Staff

Goalview Training for Administrators

- Help getting administrators signed up and using Goalview
- Understanding reporting functions and tools available to administrators
- District Office room 213
- Two Sessions Available 9:30-10:30 and 1:30-2:30 on 9/25
- Administrators welcome to attend Training for Special educators as well

Goalview Training for Special Educators

- Goalview Q&A

Monday Afternoons in September from 3-5 pm District Office Room 202

- Goalview Ninja

For those that need or would like to understand custom reports and views. Greater depth and knowledge with how Goalview works and why things go the way they do in goalview.

Available October 10th or 24th and again in November 14th and 28th from 3-5 pm in room 202 at the District Office

Please sign up with Karl McKenzie via email and bring a **laptop** or let me know and I will have one ready for you. If you need personalized building training or one on one help that can also be arranged.
