

Intradistrict Communication

DATE: April 4, 2024

TO: Principals
Assistant Principals

FROM: Michael Anderson, Associate Superintendent
Travis Hamblin, Director of Student Services

SUBJECT: Early Warning System – Panorama

During this year's legislative session [HB84 – School Safety](#) was passed requiring **each school** within an LEA (District) to implement a Student Intervention Early Warning System (53F-4-207). Panorama meets all the criteria established by HB84-School Safety and will be the District's early warning system.

Panorama is \$2,000 per school annually. **For the 2024-2025 school year the cost of Panorama will be paid by Student Services.**

Optionally, Panorama has a PBIS module that may be purchased by each school separately for \$1.40 per student. If you are interested in implementing or learning more about the Panorama positive behavior module please contact Travis Hamblin in Student Services at travis.hamblin@jordandistrict.org.

In-person and virtual trainings will be set up in the fall to ensure administrators and school leadership teams are trained in the use of Panorama. School administrators may request additional Panorama trainings for their school's administrative team, school leadership teams and/or teachers and staff by contacting Travis Hamblin (travis.hamblin@jordandistrict.org).
