Intradistrict Communication

DATE: July 27, 2023

TO: High School Administrators

FROM: Michael Anderson, Associate Superintendent
Travis Hamblin, Director of Student Services
Brad Sorensen, Administrator of Schools
Caleb Olson, Enrollment Consultant

SUBJECT: High School Calendar Change

The March ACT testing date for high schools has changed to accommodate the testing window. The new date is:

Wednesday, March 13, 2024

In addition to the change to the test date, this change will also impact the A/B rotation and work schedules for some hourly employees.

Calendars have been updated to reflect the change; however, due to the caching practices of web browsers, individuals who have previously viewed a calendar may still see the old version. A refresh (or clearing your browser's cache) should address this issue.

Please ensure that all staff members are made aware of the change.
