Optional Assessments

The SRI test is now optional, and no longer has any district-prescribed testing windows. The class rosters will still be updated automatically at the beginning of each quarter. The beginning-of-year SRI upload is complete.

SAGE Benchmarks

No testing window; always available

SAGE benchmark tests allow teachers to give brief (15-30 min) online assessments for one reporting category or standard. These tests are designed to be used formatively. They are fixed-form tests, not adaptive. The questions are drawn from the SAGE Interim item bank. Student scores *and* responses will both be visible in teacher reports. The scores and reports will be accessed via AIR Ways Reporting, a new reporting tool, instead of via ORS. The link to Air Ways is next to ORS on the SAGE portal landing page:

US Civics Test (10-12)

If you have questions, please contact Pam Su'a at 801-567-8320 or pamela.sua@jordandistrict.org. Starting Jan 1, 2016, students must pass this test in order to graduate HS. The Civics test will be given via paper and pencil/scantron again this year. The results will be recorded by each teacher in Skyward EA+ within the testing module. A nightly process will copy the information from the testing module to the educational milestone module. Office staff will also be able to enter or modify the data directly in the educational milestone module. Data for this past school year has all been loaded into the educational milestone module and is viewable in Skyward Family Access and shows on transcripts.

Testing window **1/3/2017 to 3/3/2017**

If you have questions, please contact Brooke Anderson at 801-567-8393 or brooke.anderson@jordandistrict.org. SAGE Interim tests are entirely optional. If you choose to administer them, you will need to adhere strictly to the Test Administration Manual and maintain test security. This is not a practice test where teachers can review questions with students. Interim is, rather, an opportunity to take a shorter version of the SAGE midyear to predict end-of-year results. For a practice test, we recommend using SAGE Formative or UTIPS rather than SAGE Interim. More information can be found at assessments.jordandistrict.org/sage.
