

## How To Translate Webpages (Registration for Schools) - Mozilla Firefox

1. Download and install the **Simple Translate** Add-on.  
Go to Settings then select Add-Ons and Themes.  
Search for **Simple Translate** and select “Add to Firefox”.
2. Set up **Simple Translate** for your target language.  
Go to Settings, Add-Ons and Themes, then select “Extensions” on the left-hand side of the screen.  
Click on the three dots in the upper right-hand corner of the **Simple Translate** extension and select “Options”.

Select a default target language and a second target language as needed.

3. Highlight text to be translated and right-click, select the **Simple Translate** option to translate the text.
