

# Daybreak Elementary's MATH TOURNAMENT

For South Jordan, Riverton, Herriman, West Jordan,  
Bluffdale and Copperton

January 2020

Dear Principal:

Your school is invited to participate in Daybreak Elementary's 10<sup>th</sup> Annual Math Tournament, where teams of students in grades 4 – 6 will compete face-to-face on Thursday, April 2, 2020. The past tournaments have been fun and rewarding for all who participated.

Attached are details and the registration form. This registration form needs to be returned electronically through email to [daybreakmathtournament@gmail.com](mailto:daybreakmathtournament@gmail.com) by 4:00 p.m. Friday, February 7, 2020.

NEW THIS YEAR – there will not be any entry fee. However, we still need to limit the tournament to 60 teams. This registration will hold a place for your school that you will be expected to honor. Schools should list the number of teams they would LIKE to send and will be notified by February 14 how many teams from their school have been accepted. Again, you will be expected to keep that commitment and send that number of teams.

Each school must send one chaperone for every 3 or 4 teams, and one additional person to help grade papers. The chaperones will proctor during the tournament. Students and adults need to bring their own lunches. Mid-morning snacks will be provided for students.

Students will need their own pencils. Calculators will not be permitted. Every student will receive a certificate of participation, and awards will be given to high scoring individuals and teams.

For further information, email Katherine Harbaugh at [daybreakmathtournament@gmail.com](mailto:daybreakmathtournament@gmail.com).
