FROM: Laura Finlinson, Administrator of Curriculum/Staff Development  
Lisa Robinson, Special Education Director

SUBJECT: Invitation to A.S.P.E.N. Behavior Training

All school administrators and school psychologists are invited to attend one of the following courses on the A.S.P.E.N. Behavior Management Training. This training provides strategies for school personnel to effectively manage and de-escalate aggressive student behavior in the school setting. Two training times will be provided to allow for multiple personnel in the school to attend.

Please register in JPLS so we can plan for the appropriate materials. If you can attend at the last minute please feel free to come, however, because we are providing certification for attendance, it is important that you do attend an entire session. This course will be offered to other educator groups in the future or could be customized for your individual school staff needs. We look forward to seeing you there!
