

ParentSquare Pointers - Summer Camp for Administrators

🏕️ Missing out on summer camp? ParentSquare has you covered! Each day, you'll embark on a different journey packed with self-paced activities and helpful resources, along with a few surprises along the trail. Choose your own path, learn at your own pace, and unlock the secrets of ParentSquare like a true summer explorer.

🏕️☀️ Complete all activities and receive a **5-hour professional development certificate**. And don't forget to swing by the **virtual campfire** 🔥 aka live webinars 🔥 where we'll dive into cool features, swap stories, and maybe even roast a few (metaphorical) marshmallows together.
