

JSAS Transitions to Skyward

Attendees will receive “hands-on” help through every step. Informal training sessions will run like an open house; feel free to come when you can and leave when you feel comfortable with the process. Send one teacher per school, one per grade level, or all of them—whatever best meets your needs. Please be sure those attending bring their laptop. It is anticipated that ‘training’ will take no more than 15 minutes; all attendees will be paid for a minimum of 30 minutes.
