Panorama for Positive Behavior
Jordan School District
April 21 and April 28

The sessions outlined below are designed to provide navigational support for teachers and administrators. Each session will include a demonstration from a Panorama product expert and former educator, practice time, and valuable leave behind resources to support immediate action in your daily work.

Teacher Sessions		
Session Title	**Session Description**	**Dates/Times**
Positive Behavior Overview: What is Panorama for Positive Behavior	In this session participants will walk away with a high level understanding of the <u>components of Positive Behavior </u>(incident logging, Behavior Boost, and Data Analytics) and an understanding of how each piece helps districts and schools leverage insights to guide system-wide behavior supports. *Recommended for teachers who are new to Panorama Positive Behavior or want a refresher of the components of Panorama Positive Behavior.*	**April 21** ● 10:30 - 10:55am ● <u>Zoom link</u>
Positive Behavior: Logging and Editing Behavioral Incidents	In this session teachers will learn and practice how to log and manage major and minor behavior incidents in their <u>Panorama Teacher Dashboard</u>. This session will include an overview of how to record an incident and how to submit and revise a recorded incident. *Recommended for teachers that are new to behavior logging or need a refresher on the overall workflow.*	**April 21** ● 12:00 - 12:25pm ● <u>Zoom link</u> **April 28** ● 8:00 - 8:25am ● <u>Zoom link</u>
Positive Behavior: Behavior Boost App	In this session teachers will learn how to use the <u>Behavior Boost app</u> to help track and reflect on the impact of promoting positive behavior in their classroom and how to use the app to log incidents. *<u>Teachers should come to this session with the Behavior Boost app downloaded <insert link> on an iphone or android phone.</u>* *Recommended for teachers that are looking for a tool to support their practice in setting goals and increasing their use of behavior-specific praise.*	**April 21** ● 12:30 - 12:55pm ● <u>Zoom link</u> **April 28** ● 2:30 - 2:55pm ● <u>Zoom link</u>
