

Intradistrict Communication

DATE: Thursday, December 4, 2025

TO: Elementary School Administrators

FROM: Carolyn Gough, Administrator of Teaching and Learning
Ben Jameson, Director of Assessment, Research and Accountability

SUBJECT: K-2 Literacy Goals Tableau Dashboard

In an effort to assist elementary school administrators and instructional coaches track their school's progress towards achieving the [K-2 Literacy Focus and Goals](#), Assessment, Research & Accountability has developed a couple of Tableau dashboards:

- [K-2 Literacy Goals for Acadience Reading](#) – This dashboard displays the K-2 literacy goals by grade level for all of the goals linked to the Acadience Reading benchmark and progress monitoring tools. Dashboard viewers may see grade level goal status by quarter, grade and teacher.
- [K-2 Literacy Goals: Compare Schools](#) – This dashboard allows viewer to compare goal status by school for goals linked to Acadience Reading benchmark and progress monitoring tools. Viewers may see overall status for all goals as well as filter down to individual goal, grade level or quarter.

For goals linked to data teachers input into Mastery Connect, please see these [step-by-step instructions](#) developed by the Literacy Department.

For questions about the K-2 Literacy Tableau dashboards, please contact Brooke Anderson in Assessment, Research & Accountability. For questions about the K-2 Literacy goals or the Mastery Connect report, please contact your school's district literacy coach.
