

Intradistrict Communication

DATE: April 6, 2016

TO: Principals

FROM: Laura Finlinson, Administrator of Curric./Staff Development & Special Programs
Lisa Robinson, Director of Special Education
Julie Brown, Program Specialist

SUBJECT: LEA Training Final Session

The last LEA training session for 2015-16 will be held on Wednesday, April 20, 2016, at 1:00 PM in the ASB Auditorium. We will only have one session but in a larger venue. The purpose of this session will be to give you, as the LEA, and any other staff that you wish to attend, time to review your school data as it relates to students with disabilities. We will also briefly review the goals and objectives of the State Improvement Plan (SIP) for Students with Disabilities.

Individual school data was provided at a prior principal meeting and will be available in an electronic format for you to save onto your computer. You will then have a series of guiding questions that you can use to look for trends and patterns as well as make some preliminary plans for the future.

If you plan to attend, please send an RSVP email to Lisa Robinson (lisa.robinson@jordandistrict.org) so data and space can be prepared to accommodate you and your guests.

LEA Training Session –
Data review for Students with Disabilities
Wednesday, April 20, 2016
1:00 PM (1 session only)
