

JORDAN SCHOOL DISTRICT
Dr. Anthony Godfrey, Ed.D. - Superintendent of Schools
West Jordan, Utah

Interoffice Communication

Date: January 15, 2026
To: All School Principals
From: Mike Anderson, Associate Superintendent
Lisa LeStarge, Administrative Assistant
Subject: **LAND Trust and TSSA Plans Available for Entry**

The School LAND Trust program **Final Report for 2024-2025** is now available for entry on the [State website](#). Reports must be submitted on the School LAND Trust reporting site no later than **Friday, February 13, 2026**.

Final Report expenditures will not be entered by the principal, but will be displayed and space will be available for principals to enter an explanation for those expenditures.

The 2026-2027 Upcoming Land Trust Plan may be submitted after the final report is completed, submitted, and finalized by the District Office. The due date for submitting 2026-2027 Land Trust and TSSA plans is March 20, 2026. This allows sufficient time for plans to be approved by the Board prior to receiving funds for the 2026-27 school year.
