Explore > Acadience Reading & Early Literacy > School Acadience Reading Analysis, 2015-2021
> Acadience Reading Analysis, 2015-2021

This dashboard contains the following aggregate data:

- Participation
- Proficiency over time (2015-2021)
- Individual measures for grades K-3
- An analysis of in-person and virtual student performance
- Student growth

In addition to the aggregate data listed above, school administrators may also view MOY Acadience Reading data at the teacher and student levels. Administrators may take advantage of the demographic filters to narrow down lists of students that need extra support. Teacher and student level data may be found here:
