SUBJECT: MOY Acadience Reading and 6th Grade CogAT Tableau Dashboards Updated with Latest Results

MOY Acadience Reading and the 2024-25 6th grade CogAT results are now available in Tableau viewer accounts. Elementary school administrators may access the MOY Acadience Reading dashboard [here](#) and the CogAT dashboards [here](#). Results are available at both the district and school level. School administrators may also filter the data by student groups (economically disadvantaged, ML, race/ethnicity, and students with a disability). Both dashboards also contain results for individual students.

Please contact Ben Jameson in Assessment, Research & Accountability with questions about these dashboards.
