

JORDAN SCHOOL DISTRICT
Patrice A. Johnson, Ed.D., Superintendent of Schools
West Jordan, Utah

Intradistrict Communication

DATE: May 31, 2017

TO: All Principals and Teachers

FROM: Administrators of Schools
Ron Bird, Director, Information Systems
Michael Heaps, Support Services Manager
Mark Sowa, Curriculum Technology Consultant

SUBJECT: Mastery Connect and Skyward Rollover Dates

Please be aware that the annual rollover of data in both Mastery Connect and Skyward is scheduled to happen July 5-7, 2017. Consequently, both systems will be unavailable during that time.

For Mastery Connect users, please do not create trackers for the 2017-2018 school year prior to July 7th, since next year's data will not be available until that time. The current year's trackers will auto archive as a part of the rollover process. To ensure that this data is available in the future, do not delete last year's trackers.

If you have questions, please contact the Information Systems Help Desk at 801-567-8737.
