This **one year** professional learning opportunity is being provided by USBE to LEA Leaders, building administrators, and literacy coaches.

The program defines the systems and infrastructures required to successfully implement a sustainable literacy program aligned to scientifically based research.

Scan the code to register for the course.

Registration closes February 26, 2024

Limited space available (45 participants)

first come, first serve.

Testimonial

I have loved the LETRS for Administrators course! It has empowered me to make impactful decisions for literacy in my school. Due to this my staff is motivated, students are growing, and morale is extremely high. Every school administrator needs to take this course! It is a game changer!

-Kim McClellan

Ogden Leadership Learning Academy Principal
