

“The Jordy” Winners - Jordan School District Counselors of the Year

Each year counselors nominate and vote on their peers for the Jordan School District Counselor of the Year award. Congratulations to our nominees and winners! These counselors are a credit to their profession and fierce student-centered advocates and problem solvers. Thank you for your hard work on behalf of students and our community!

Markie is known for her hard work and forward-thinking approach. She is always looking for ways to enhance support for students and colleagues. Energetic and optimistic, Markie readily tackles challenges and provides assistance whenever needed, stepping in for absent team members and offering a listening ear to address any questions or concerns. Markie’s unwavering commitment to improvement and unwavering support make her a valuable asset to the school community.

Josh stands out for his exceptional work as a school counselor, prioritizing making everyone feel welcomed, included, and valued. He displays a great sense of humor, strong work ethic, and unwavering dedication to supporting both students and colleagues. Actively engaging in collaboration and continuous learning, Josh serves as an invaluable asset to the school community, always striving to improve and make a positive impact.

Delanie is someone who consistently exceeds expectations, collaboratively shares quality resources, and helps improve relationships within the school community. She excels in utilizing data and advocating for fellow school counselors, always making time to offer support. Proactive and solution-oriented, Delanie is highly dedicated, showcasing a genuine passion for education that inspires those around them. Her remarkable qualities make her successful in her work, and also a compassionate and exceptionally effective counselor.
