TO: All Administrators

FROM: Michael Anderson, Associate Superintendent
Buddy Alger, Director of Student Services
Matt Alvernaz, School Safety Coordinator

SUBJECT: District Inter-City SRO Training

The District Inter-City School Resource Officer training is coming up and attendance from each SRO and at least one school administrator is strongly encouraged. The number one request from our SROs was administrator involvement. The invitation includes elementary administrators as well. Many of the students we discuss have younger siblings who are often impacted by the same issues and subject to the trends we see.

This is a great opportunity for the cities to collaborate and discuss students and/or issues of concern that cross borders. We also cover trends, current events, and how we can improve district/city relationships.
