

PEHP Healthy Utah Testing Sessions 2022

All employees and their spouses covered on the Jordan School District PEHP medical plan are eligible to participate in the health incentive program. You and your spouse can earn \$50 each by participating in the **free** biometric testing session and completing a questionnaire.

If you would like to schedule a PEHP Healthy Utah testing session for your school, please send an email to cheryl.matson@jordandistrict.org with the date and time you would like to host the testing session. Healthy Utah is currently scheduling on a limited basis and days fill up fast, so don't delay. Testing sessions can be scheduled between January and April at this time.

If you have any questions please do not hesitate to reach out to the JSD insurance department (801-567-8255).
