DATE: December 1, 2022

TO: Principals
Assistant Principals
Panorama SEL Survey Coordinators

FROM: Michael Anderson, Associate Superintendent
Travis Hamblin, Director of Student Services

SUBJECT: Panorama Mid-Year Survey

The mid-year Panorama SEL Survey window will open January 9, 2023 until February 3, 2023 for a total of 25 days.

As a reminder, prior to administering the SEL Survey parents should be notified allowing them an opportunity to opt their student out if they desire to do so. Student participation in the survey should never be used for grades and should always be voluntary.

Panorama is, by definition, a student record and the information contained in Student Success, including survey results, may be shared with parents upon request.

Survey Coordinators, in consultation with the administration, are encouraged to begin planning for the administration of the survey as soon as possible.
