TO: All School Administrators

FROM: Carolyn Gough, Administrator of Teaching and Learning

SUBJECT: Parent Invitation to Participate Volunteer List

The Parent Invitation to Participate Survey was disseminated to parents throughout the district earlier this month. Parents had the opportunity to indicate their willingness to participate in school community councils and PTA/PTSA organizations for their students' schools. Parents provided their contact information as part of their survey response.

A list of parent volunteers for each school has been made available in a Tableau dashboard. There is a separate dashboard for each level (elementary, middle and high). Those dashboards may be accessed [here](#).

School administrators are encouraged to provide the PTA/PTSA contact list to their parent organization presidents.

Please contact Ben Jameson in Evaluation, Research & Accountability for questions about the survey or the dashboard.
