SUBJECT: Parent Seminars in English and Spanish to Share!

Jordan District has partnered with the Cook Center for Human Connection to provide ongoing mental health education for parents and caregivers. This collaboration offers FREE access to live, virtual educational sessions covering various topics. A calendar for March sessions is attached. Sessions are offered in both English and Spanish. Previously recorded seminars can be accessed through a comprehensive library of sessions and resources for each topic. You can access the library of recorded sessions at any time by visiting this site: <https://parentguidance.org/mhsindex>.

For the month of March, we want to highlight the webinar titled **What Parents Need to Know About Suicide Prevention**. Suicide prevention is a critical subject, and we often receive requests from parents and stakeholders for more information and resources. We encourage you to share this vital information with your communities. This webinar takes place on Thursday, March 20th at 5 p.m. AND 7 p.m.

If parents register and can't make it, they will have access to the recording. More information and the link to register can be found [here](#).

Please share the attached fliers with your school community.

Should you have any questions please reach out to [Angie Rasmussen](#) at angie.rasmussen@jordandistrict.org
