

JAM JORDAN SCHOOL DISTRICT
Anthony Godfrey, Ed.D., Superintendent of Schools
West Jordan, Utah

Intradistrict Communication

DATE: March 20, 2024

TO: All Administrators

FROM: Michael Anderson, Associate Superintendent
Travis Hamblin, Director of Student Services
McKinley Withers, Health and Wellness

SUBJECT: Last Call for Prevention Workshop and Mandatory Prevention Plan Updates

We have added one last session for prevention planning **on April 4th at the ASB Presentation Room (Entrance C). There will be two sessions on the 4th: 8:30-11:00, and 12:30-3:00.** Substitute costs can be covered so a full team can attend!

***As a reminder, each school is required to maintain and update prevention plans annually.** These funds and upcoming workshops are meant to support each school's prevention plan. If you are interested in updating your plan without attending a workshop, visit wellness.jordandistrict.org/preventionplan for detailed instructions.

Prevention Plans must be updated by April 26th and [the prevention funding form](#) completed by April 5th to take advantage of the grant funds available!
