SUBJECT: Professional Development Opportunities for Licensed Special Education Staff on Compliance in Action: Lessons from the Audit

The Special Education Department is pleased to announce upcoming training sessions for licensed special education staff, tailored to our school environment.

Take a deeper dive into special education compliance by exploring insights and lessons learned from this year's audit results. This session will examine key trends, common compliance challenges, and areas that require closer attention. Participants will gain practical strategies for strengthening evaluations, IEP development, progress monitoring, and SCRAM practices within the Embrace system.
