SUBJECT: Professional Development Opportunities for UFLI and Open-up Math in Special Education

Below is a listing of professional development opportunities for **Elementary Special Education licensed staff** in the Special Education Training. A link to sign up for each training will be sent to Elementary Special Education Licensed Staff Members via email. If they have already attended but need a refresher, they may attend again.

## PD Focuses

- Open-Up Math - This training will provide resources and strategies to deliver specially designed instruction effectively within your classrooms.
- UFLI - Training will focus on how UFLI can be used in special education with K-6 as specially designed instruction and significantly improve students' foundational reading skills.
