SUBJECT: RISE Individual Student Reports in Skyward

Summative RISE Individual Student Reports (ISRs) are being uploaded into Skyward Family Access student portfolios by the Information Systems Department. Reports for tests completed prior to May 24 are already uploaded. Score reports will continue to be uploaded as RISE testing closes out. The last reports for year-round students will be uploaded the week of June 14. Test scores will be uploaded to the test scores modules in Skyward after the testing window is completed in June.

Included with this memo are step-by-step instructions for parents on how to access these ISRs. Principals are encouraged to disseminate this information to parents via Skylert or by any other means deemed appropriate. Principals may also consider keeping copies of the step-by-step instructions in the main office to distribute to parents as needed.

Please contact Ben Jameson or Brooke Anderson in Evaluation, Research & Accountability with any questions about the RISE ISRs.
