RECIPE 2 READ

NOV 2026

MOVING IN THE RIGHT DIRECTION!

Our second graders are making progress! Our Quarter 1 reading results are higher than last year, and that is something worth celebrating! We are moving closer to reaching our goals as a district, one reader at a time. This progress doesn't happen by chance. It happens because of your intentional instruction, dedication, and belief in every student's ability to succeed. Thank you for the difference you make every day. Together, we're growing stronger readers!
