

Intradistrict Communication

DATE: Thursday, May 14, 2020

TO: All Principals

FROM: Shelley Nordick, Ph.D., Administrator of Teaching and Learning
Ben Jameson, Director of Evaluation, Research and Accountability

SUBJECT: Release of the 2020 Stakeholder Survey School Reports

In the next few days, principals will receive an email containing a shared Google folder. The folder will contain the following:

- The 2020 Stakeholder Survey Final Report
- Reports for each licensed educator, administrator, counselor, and support staff

Principals should distribute individual educator reports in one of two ways:

- As in the past, principals may print individual educator reports from the 2020 Stakeholder Survey Final Report. These reports can be included as part of checkout or they can be distributed to each educator separately.
- Principals may also email individual educator reports.

No Educator Effectiveness Scores will be released this year because that requirement has been waived by the USBE for this school year because of the soft closure of schools.

Survey data will be released to principals via Tableau Viewer accounts sometime next week. If principals would like survey data to be released to their assistant principals, please contact Ben Jameson; otherwise, only principals will be given access to the survey dashboards.

Please contact Ben Jameson with any questions or concerns.
