The Research Review Committee has reviewed a research project in which your school has been asked to participate.

Project Title: Effective Collaborative Practices in Transition (Secondary) IEP
Meetings: A General Educator's Perspective

Applicant: Christopher Liechty, Grand Canyon University

The project has been approved by the District Research Review Committee. The applicant has been directed to contact you to discuss the extent of the project and to solicit your participation in a survey. Participation in the study is at your discretion. If you have questions or concerns relating to participation, please contact Ben Jameson at 801-567-8243.
