

Intradistrict Communication

DATE: September 25, 2019
TO: High School Principals
FROM: Brad Sorensen, Administrator of Schools
SUBJECT: SBO Meetings & Luncheons

For the 2019-20 school year, we would like to continue having our Student Body Officer meeting and luncheon with Superintendent Godfrey and Board of Education members. As we move forward, we would like to make a slight change to the previous format.

Superintendent Godfrey and Board Members will meet with all the Student Body Presidents from each school for one hour at 11:15 to 12:15. Then from 12:30 to 1:30, Superintendent Godfrey would like to meet with a group of students from the school at which the meeting is held. This group could include a variety of students who represent the student body population at the school (15-25 students) and principals will choose whom to invite. This second hour will be a question and answer format for the students to address the Superintendent (we understand that students might ask silly questions but not a problem). As previously done, the school will provide lunch for the SBO meeting (25 people) and in addition to this, provide pizza and soda for the second group of students. If this is a concern, let us know.

Here is the schedule:

October 14 – Riverton High
November 11 – Copper Hills High
December 9 – Valley High
January 13 – West Jordan High
February (Date to be determined) Day on the Hill with Legislators
March 9 – Herriman High
April 20 – Mountain Ridge High
May 11 – Bingham High

Also, please provide the following information to Cari Minnesota by October 2, 2019, so she can send out the email invites to the SBO's.
