McKinley Withers, Health and Wellness
SUBJECT: Social and Emotional Skill Curriculum EXPO – March 5th!!

Don't miss the Social and Emotional Skill Curriculum EXPO on March 5th at JATC South Auditorium!

In 2.5 hours you will be able to do a deep dive with up to 7 curriculum and implementation experts. Not even ChatGPT could give you that kind of information in 2.5 hours!

This event is a part of supporting each school's mandatory prevention efforts as implementing a Tier One, school-wide curriculum is an evidence-based approach to reducing problematic behavior, improving academic outcomes, and most importantly, enhancing student well-being!

There are Two Sessions: 8:30-11:00, 12:30-3:00

This event is a hybrid of an open house and a vendor EXPO. There will be various vendors representing curriculum options and expert insights hosting timed, round-table discussions to help you determine which program best fits your school's needs.

This format will allow school leaders to maximize their time and gather information with intention as they prepare for the upcoming school year! We intend to support school leaders and teams in meeting their unique social and emotional skill development goals. ****Substitutes can be paid for upon request.**
