SUBJECT: DLI STAMP Assessment and Training

School administrators are encouraged to send the following information to their DLI teachers.

USBE has a new DLI assessment contract with Avant's STAMP assessment. LTI's AAPPL test will no longer be used for the fall DLI testing.

The DLI STAMP assessment window opens on Monday, October 20th and closes on Friday, December 12th. Of course, students won't start testing until after fall break.

Assessment, Research & Accountability does not currently have access to Avant's testing system and we do not know when we will have access or when we will be able to give teachers access. That said, here is what we know:

Test Preparation: DLI Teachers

- The Utah STAMP [website](#) contains several guides under the heading 'For Schools and Teachers.'
- Check out the STAMP [accommodations](#) page for information about the types of accommodations available on the STAMP.
- The FAQ for grades 3-5 may be found [here](#) and the FAQ for grades 6-9 may be found [here](#).

Because this is a new assessment and because the state's testing ethics policy requires an annual training for all statewide mandated assessments, the following virtual training dates will be available. All DLI teachers or other school personnel who will be administering the STAMP will need to attend one of the virtual trainings listed below:

Friday, 10/10 - 8:30am or 1:30pm
Friday, 10/17 - 8:30am or 1:30pm
Friday, 10/31 - 8:30am or 1:30pm
Friday, 11/7 - 8:30am or 1:30pm

Trainings will last approximately 45 minutes. All participants can join the virtual training using this Zoom link: <https://jordandistrict-org.zoom.us/j/5266134800>

Test Preparation: Students

- The Utah STAMP website may be accessed [here](#).
- Sample tests are available in a variety of languages. It is strongly recommended that DLI teachers allow ample time for students to practice the STAMP assessment prior to test day as this will be a new test experience for them.
- Grades 3-5 students take the 4Se assessment while grades 6-9 take the 4S.
- There are four subtests in the STAMP assessment: Listening, Reading, Speaking and Writing. Grade levels take two of the four assessments each year:

Grades	Assessment Sections
3rd Grade	STAMP 4Se (Listening and Speaking)
4th Grade	STAMP 4Se (Reading and Writing)
5th Grade	STAMP 4Se (Listening and Speaking)
6th Grade	STAMP 4S (Reading and Writing)
7th Grade	STAMP 4S (Listening and Speaking)
8th Grade	STAMP 4S (Reading and Writing)
9th Grade	STAMP 4S (Reading, Writing, Listening, Speaking)

- There are test taker videos for each subtest that students should watch prior to test day. The grades 3-5 test taker tutorial videos may be found [here](#) and the grades 6-9 test taker tutorial videos may be found [here](#).
