

For Students Struggling with Substance Abuse
we are pleased to introduce the

★ **STAR PROGRAM** ★

Short Term Adolescent Recovery Program

A partnership between
Salt Lake County Youth Services
& Jordan School District

- Students are referred through administrators, counselors, or school social workers.
- Students and families participate voluntarily.
- Students attend school at Youth Services for 30 to 45 days.
- Located in the SLCO Youth Services building at 8300 S. Redwood Road.
- Transportation is the responsibility of the family.
- Education provided by a Jordan School District teacher.
- Substance abuse treatment, counseling and therapy provided by Salt Lake County Youth Services.
- Meals provided by Jordan School District nutrition services.
