

Intradistrict Communication

DATE: January 16, 2024

TO: Principals

FROM: Michael Anderson, Associate Superintendent
Travis Hamblin, Director of Student Services
Matt Alvernaz, School Safety Coordinator

SUBJECT: Safe Routes to Schools Update and Reminder

Due to recent difficulties with the new Safe Routes To School website the deadline for submitting your schools Safe Walking Route will be extended to Friday January 26, 2024. The Safe Routes to School website can be found at [Safe Routes Utah](#). If you have any trouble gaining access to it or your school is not found on the website please reach out directly to Kristen Hoschouer at khoschouer@utah.gov.

A link has been created for principals to download a copy of the updated district Safe Routes To School Form on our School Safety website at [Jordan School Safety](#) or copy and paste the link below for direct access.

Change the title to reflect the specific school and share it with the district School Safety Coordinator, Matt Alvernaz, once it is complete and ready for review. Please do this as soon as you able, even if the map is not yet completed.

For any additional assistance or clarification please contact Matt Alvernaz at matt.alvernaz@jordandistrict.org or by phone at 801-567-8623.
