

Intradistrict Communication

DATE: August 9, 2022

TO: Assistant Principals, Principals (info only), and Teaching & Learning Consultants

FROM: Michael Anderson, Associate Superintendent
Travis Hamblin, Director of Student Services

SUBJECT: Safe School Hearing Calendar/Assignments
Please add on your calendar now!

To broaden everyone's experience, most assistant principals will be a part of the Safe Schools Committee this year. Please add this date to your calendar as a top priority. If your name is not listed, you will be one of the first contacts in case of an emergency and a substitute committee member is needed. PLEASE DO NOT FIND YOUR OWN SUBSTITUTE. The committee is balanced by level and gender each week. If an emergency comes up the week of your assignment, please email janie.hyde@jordandistrict.org

The Safe School Committee meets on Wednesdays from 8:00 AM until 3:00 PM at the main district office in conference room 123 back by the Equity, Diversity, Inclusion and Compliance folks. Bring your own lunch or there is an hour break built in to buy lunch at the many offerings in Jordan Landing.

We are grateful to have your experience, wisdom and skill set to help with this important decision-making committee.
