SUBJECT: “Safety in the Schools” – Bus Safety Video

Utah State Standards for school buses require students to receive annual bus safety instruction.

Bus safety instruction and awareness for students in grades K-6 will come in the form of a video. The videos are available via YouTube for each individual teacher to present to his or her class.

The link to the video for students in grades 2-6 is:

The link to the video for students in grades K-1 is:

When every teacher in grades K-6 has shown the video to his or her class, please send a quick email confirmation to tammy.spearman@jordandistrict.org indicating that your school has completed this process.

Feel free to contact Tammy Spearman in the Transportation Training Department at (801) 567-8807 with any questions you may have.

We would like to have this completed and turned into the Utah State Office by October 30, 2023.

Thank you for helping Jordan School District achieve “Safety in the Schools”.
