SUBJECT: “Safety in the Schools” – Bus Safety Video

Utah State Standards for school buses require students to receive annual bus safety instruction.

This year, bus safety instruction and awareness for students in grades K-6 will come in the form of a video. The video is available at the following link for each individual teacher to present to his or her class.

In addition, please require all teachers in grades K-1 to have their students watch the Winnie the Pooh video at the link provided below.

When every teacher in grades K-6 has shown the video(s) to his or her class, please send a quick email confirmation to tammy.spearman@jordandistrict.org indicating that your school has completed this process.

Feel free to contact Denise Dallin in the Transportation Training Department at (801) 567-8856 with any questions you may have.

We would like to have this completed and turned into the Utah State Office by February 26, 2021.

Thank you for helping Jordan School District achieve “Safety in the Schools”.
