SUBJECT: “Safety in the Schools” – Bus Safety Video

---

Utah State Standards for school buses require students to receive annual bus safety instruction.

Bus safety instruction and awareness for students in grades K-6 will come in the form of a video entitled “Bus Safety”. This video is available via YouTube for each individual teacher to present to his or her class.

Grades K-1 are also required to watch the Winnie the Pooh video at the following link: [Winnie the Pooh Video](#)

When every teacher in grades K-6 has shown the video to his or her students, please send a quick e-mail confirmation to [tammy.spearman@jordandistrict.org](mailto:tammy.spearman@jordandistrict.org) indicating that your school has completed this process.

Feel free to contact Tammy Spearman in the Transportation Training Department at (801) 567-8807 with any questions you may have.

We would like to have this completed and turned into the Utah State Board of Education by April 28, 2023.

Thank you for helping Jordan School District achieve “Safety in the Schools”.
