SUBJECT: Scheduling Delivery of WIDA Hard Copy Reports

---

Evaluation, Research & Accountability is scheduled to received the WIDA hard copy results on May 13, 2020.

We would like to deliver them to the schools on May 20, 21, or 22.

Please let our WIDA Test Coordinator, JoLynn Snelgrove, know when your building will be open so that she can deliver the WIDA hard copy test results. She may be contacted via email at [jolynn.snelgrove@jordandistrict.org](mailto:jolynn.snelgrove@jordandistrict.org) or by phone at 801-567-8419

The state requires that schools send a hard copy of the individual student report (ISR) to parents. Instructions and more details will be included with the delivery.

Thank you for your help in taking care of this important matter.
