SUBJECT: September Attendance Flyer 2022

Principals and Assistant Principals,

Hopefully you have had a wonderful start to the year!

Stressing the importance of school attendance in September has been proven to have great benefits on attendance for the remainder of the school year. Students who miss more than 3-4 days in September go on to miss almost a month of school. Included is a September flyer sent out to parents on PeachJar but it would be wonderful to make this available in your schools as well. A new attendance flyer will be sent out each month as we strive for better attendance.

We hope we are starting the year off strong with attendance!
