SUBJECT: Shmoop Access for the 2025-26 School Year

School administrators are encouraged to forward this information to their ACT prep teachers.

USBE has once again made available a free ACT prep online program for all high school students from 9th grade and up. Students may access this free program at this link: schools.shmoop.com

The Magic Word for the 2025-26 school year for students to complete the login process is:
FRYSAUCE.

Teachers may access Shmoop by creating an account using their single-sign-on via Canvas. Check out this [YouTube video](#) for how to do this.

For more information about Shmoop, including instructions for students to set up their own Shmoop account, please see this [information page](#).

For administrators interested in an online or in-person training on how to use or implement Shmoop in your school, please fill out Shmoop's [training request form](#).

Here are some other resources for making the most of this great ACT prep resource:
