TO: High School Administrators

FROM: Shelley Nordick, Ph.D., Administrator of Teaching and Learning
Ben Jameson, Director of Evaluation, Research and Accountability

SUBJECT: Shmoop Access for the 2021-22 School Year

School administrators are encouraged to forward this information to their AP teachers.

USBE has once again made available a free ACT prep online program for all high school students from 9th grade and up. Students may access this free program at this link: schools.shmoop.com

The Magic Word for the 2021-22 school year for students to complete the login process is:
FLATTOP.

If schools are interested in booking a training for how to use Shmoop, please contact Shmoop's state representative, Kelsey Olson, at 908-770-9570 or at kelsey@shmoop.com.

For more information about Shmoop, including instructions for students to set up their own Shmoop account, please see the flyer attached with this memo.
