

Busing Request for Ineligible Students

Space Available Guidelines:

- All request forms must be signed by School Administrator and Parent or Legal Guardian.
- Transportation will determine the number of seats available on a bus.
- Each school in cooperation with the School Community Council will establish guidelines for the method that will be used to issue space available seats.
- Approval of space available seats will be awarded by the Transportation Department.
- Space available seats are approved for the period of one school year.
- Space available seats can be revoked at any time due to increased enrollment.
- A new busing request must be submitted for each new school year.
